

For Freedom

The creation waits in eager expectation for the sons of God to be revealed. For the creation was subjected to frustration, not by its own choice, but by the will of the one who subjected it, in hope that the creation itself will be liberated from its bondage to decay and brought into the glorious freedom of the children of God.

The testimony of one that was persecuted:

Baba's house was destroyed by a mob, but he refused to deny Jesus. Although he cannot read, he told us, "I hold the Bible so I can kiss it."

MISSIONS MINISTRY

Are you aware of all the attributes of light? Light drives out darkness, reveals hidden things, brightens your path, and also provides warmth to those on whom it shines. Did you know that you are the same way? Jesus called you light! Not only do you drive out the darkness for others you also provide a warmth like no other to those around you. People are use to others giving them a “cold” shoulder. How about you do something that totally takes them by surprise... Share the warmth of your light!

Kenneth Hagin, Jr.—The Untapped Power in Praise

*“Praise God in the midst of despair, when all is dark round about you and you don’t see your answer anywhere. Even when the circumstances of life look gloomy, stand your ground and begin to praise the Lord. In fact, when it’s darkest all around you, and the storm clouds of adversity have come rolling in, that’s the time to use one of your greatest offensive weapons against the enemy—
the high praises of God in your mouth!”*
